## IMMEDIATE RELEASE

# Travel Restrictions: Green Locations, June 19, 2020

JUNE 19, 2020

---

The Secretary of Defense recently signed a memo, moving to a conditions-based, phased approach to personnel movement and travel. As of today, the following locations meet the conditions to lift travel restrictions, subject to the assessment of conditions at individual military installations within these areas. These criteria are: 1) removal of shelter-in-place orders or other travel restrictions 2) 14-day downward trajectory of flu-like and COVID-19-like symptoms; and 3) 14-day downward trajectory of new COVID-19 cases or positive tests. The Secretaries of the Military Departments, Commanders of the Combatant Commands, and the Chief Management Officer will assess specific DOD installations, facilities, or locations under their purview.
